

Mayhem At Raley's

**** CONCEALMENT REQUIRED ****

Shooter will start seated at P1, back against chair with hands flat on table, gun loaded and holstered, with the turkey on the table. At the signal, draw and, while remaining seated, engage T1 & T2 with 2rds each in tactical sequence. Then engage PP1 & PP2. Then move to engage all other threats as they appear with 2rds each while using all available cover AND maintaining possession of the holiday turkey.

- NOTES:** - **SHOTS UNLIMITED** – Best 18 hits are scored; 2 each paper, steel must fall to score
- Shooter must remain seated while engaging T1, T2, PP1 & PP2
 - PP1 activates swinging Non-Threat
 - The table is NOT cover
 - Shooter may move to either P2 OR P3 from table.
 - NO make up shots on paper may be made from cover. ONLY shots on Pepper Poppers
 - Shooter must maintain possession of turkey throughout COF. It may be set on ground to engage and/or reload. But must be protected by cover at all times.
 - Range of engagement: approx 3 to 12 yards

While sitting a Pete's Coffee, you notice a gaggle of ruffians entering the front doors with obvious bad intentions. When they initiate, you react and take immediate action to protect yourself and the other innocents. Then you hear screams from the left and from the right... you leap to your feet and eliminate with extreme prejudice the rest of the dirtbags as you encounter them whilst moving throughout Raley's. Do not forget to bring along the turkey!
