

Tire Shop Incident

RULES: IDPA Rules	COURSE DESIGNER: Razmik Carapetian
START POSITION: Shooter will start facing downrange at P1 hands above respective shoulders and toes touching tire.	
SCENARIO: While working as armed security for a large Tire warehouse you come upon three bad guys attacking one of the workers. You are galvanized into action and as you send these insects to the Great Roach Motel, you hear multiple scuffles occurring in other parts of the building and you initiate a complete extermination program.	SCORING: Unlimited
PROCEDURE: At the signal, draw and engage T1 – T3 with 2 shots while retreating to cover. Engage the remaining targets with two rounds. Note :Per 5.4.D 2017.2 states a match DQ for engaging a steel target less than 10 yards.	ROUND COUNT: 17
	TARGETS: 09
	DISTANCE: Approx 2 to 5 yards - 10 + yards for steel
	SCORED HITS: Best 2 on paper - Still must fall
	PENALTIES: IDPA 2017.2 Rules
	CONCEALMENT: Yes
	NOTES: T1 – T3 must be engaged while moving. Make up shots may be taken from cover

Per :2.9.C 2017.2 Muzzle safety Area around the door knob/handle is indicated with a red square tape. Match DQ if breaking the rule.
