

# Whoa Nellie!

## Whoa Nellie!

Stage 3 - 18 rounds minimum – Concealment Required

7 paper targets, 4 no-shoots, 4 poppers

**Scenario:** While watering your horse at a creek near a high risk area of the border, you are ambushed by 4 men with AK47s. You engage them from behind your horse, only to be accosted by a wild bunch with machetes, knives and handguns. Nellie spooked and bolted. You have no choice but to fight.

**Start Position:** Standing at P1 holding reins in both hands, facing down range, gun loaded and holstered, Port at P4 closed.

**Procedure:** At the audible signal, Engage 4 poppers in tactical priority until they fall, holding reins in one hand while firing. Then drop the reins and engage the 7 paper targets w/ 2 shots minimum from positions P1 – P5, opening port at P4 when appropriate.

- Set up PP1 and PP4 7 feet farther from P1 than PP2 and PP3
