

JUNK IN THE TRUNK

Rules: IDPA Competition Rules

Course Designer: A. Moe

Start Position: Weapon will be loaded according to division capacity and placed on bucket near the chair (separate ammunition will remain concealed on his/her person). Shooter will start standing at the rear set of barrels. At the signal shooter will move to a seated position, retrieve his/her weapon and engage T1-T3. Shooter will then move to P2 and P3

Scenario: As you secure the trunk of your car, you are accosted by a group of radical liberals. In fear for your safety you jump back into your car and retrieve your trusty peashooter. With the liberals collapsing on your position you engage them while seated in your vehicle. After you dispatch the first group, you hear screaming from inside your residence. As you approach the open front door you find your family has been taken hostage by Gavin N. and his gun grabbing terrorists.

Procedure: At the signal move from P1 to the seated position engage T1-T3. Shooter will move to P2 and engage T4-T6. Shooter will move to P3 and engage T7-T9.
