

The Matrix

**** CONCEALMENT REQUIRED ****

Shooter will start facing downrange at P1 with heels on marks, gun loaded to division capacity, and hands relaxed at sides. At the signal, draw, and ***while moving forward*** toward P2, engage all threats with 2rds each in tactical priority.

NOTES: - Best 16 hits scored; 2 ea paper

- Shooter must be moving forward while shooting; may stop to reload/clear malfunctions
- Moving forward is defined as straight along a line from P1 thru P2 to Center Target
- Tactical priority is defined as threats are equal at 7-yds, then 10-yds, then 11-yds, then 12-yds
- Reload as necessary – There is no cover available.
