

Corner Check

**** CONCEALMENT REQUIRED ****

Shooter will start facing squarely up range, gun loaded and holstered, heels touching tire and hands relaxed at sides. At the signal, turn, draw and, while moving to cover at P2, engage T1 & T2 with 3rds each in tactical sequence. From P2 engage T6 with 2rds. Move to P3 and engage T3 & T4 with 2rds each; then move to P4 and engage T5 with 2rds.

- NOTES** – Shots **UNLIMITED**: Best 14 hits scored
- T5 should not be visible from anywhere but P4
 - Range of engagement: approx 1 to 12 yards

While you and a friend are visiting the local park's recreation center you are accosted from behind by local armed turdbirds and your friend is grabbed. As you react with extreme prejudice, you hear cries for help from within the center and decide to respond. Remember to check in the corners!
