

Boogie Time Watchman

**** Concealment Required ****

Shooter will start facing downrange at P1 with hands flat on "Xs" and both shoulders square to wall. At the signal, draw and engage all threats as they appear with 2rds each while following current rules regarding cover, engagement and reloading.

NOTES: - **UNLIMITED**; Best 18 hits scored

- Shooter may engage from any location as long as round do not impact the concrete wall and all other IDPA rules are followed.
- Range of engagement: 4 to 5 yards

You are the night watchman at a local warehouse and are out making the rounds while enjoying the night air when trouble finds you.
