

14TH ICORE INTERNATIONAL POSTAL MATCH (2014)

It's time again for the ICORE International Postal Match. Last year we had 471 shooters compete in this event. This will be the 14th year of this match and hopefully we can crack 500 shooters this year. Once again the idea with this International Postal Match is the promotion of ICORE in general and to get the word out there about how much fun shooting a revolver in this type of match can be. If we all make the effort to get some first time ICORE shooters to shoot the match it helps spread ICORE awareness out there amid the shooting public. Stages are 6 shot neutral so there is no excuse for all you Classic shooters out there not to give this match a go.

This year will see the inclusion of Rimfire Revolver Division that shoots the same stages. Rimfire is a Division of its own, as long as it is a .22 RF revolver then it can be used. Rimfire is something to try and entice new shooters that may only have a .22, so go out of your way to make them welcome. If they don't have a holster, start them from the ready position, if they don't have holders for speedloaders the RO can carry them and pass them on when needed.

You do not have to be a member of ICORE to compete in this match.

This match is to be shot over the period from 1st August to the 31st December 2014.

Anyone, anywhere may compete. Being a postal match it is important to set up the stages as indicated in the stage diagrams and of course your honesty counts. So please make the effort to be fair to all.

Be sure of the rules when running this match. If there are any doubts then download yourself a copy of the rules from www.icore.org.

You are welcome to shoot this match as many times as you like, however to be fair to all, please shoot a division once only on any given date. (For example, you could shoot one, two or three different divisions on the same date if you choose. However another example is you could not shoot Open twice on the same day.)

To make my job easier, after you have shot the match please send me a summary of the results in an Excel file laid out this way:

Name	Division	Junior/Lady	Date	Country	Host Club	Stg 1	Stg 2	Stg 3	Stg 4	Total
	O/C/L/RF	J/L								
Peter Webb	O		31.12.14	USA	M.D.P.C.	12.16	34.33	67.98	51.25	165.72
John Key	RF	J	14.11.14	Aus	Geelong	16.24	44.56	65.56	89.24	215.60

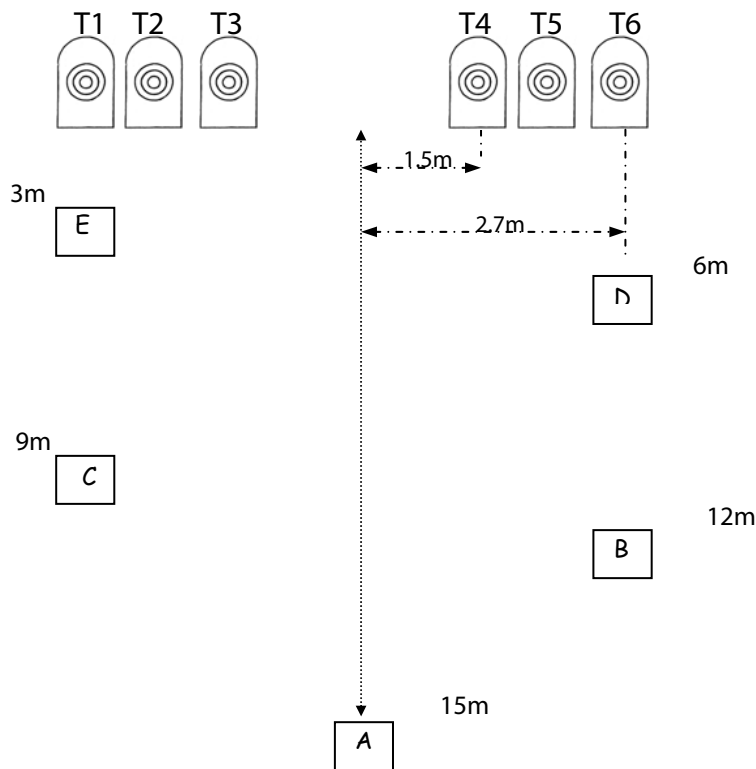

Please get the results back to me as soon as you can after shooting the match. Send the results to me at kenmbark@inet.net.au and any questions you have send me an email. When you do email the results to me I will email you back confirming receipt of your results. The overall match results should be out early January 2015.

Be safe, enjoy the match and introduce someone new to ICORE.
