

Operator

Shooter will start standing inside Shooting Area, facing squarely up range with toes on Xs, hands relaxed at sides, gun loaded and holstered with all reloads on belt. At the signal, turn, draw and engage all targets with 2 shots each and steel until it falls from within the Shooting Area only.

- NOTES** – Shots **UNLIMITED**; best 30 hits scored – 2 on each paper; steel must fall
- 1 second per point down
 - All penalties such as foot faults, Failure to engage, hits on No Shoots, etc are 5 seconds
 - Targets behind 4-ft wall are in 45-degree stands
 - Range of engagement: approx 2 to 10 yards
