

## Better Luck

Shooter will start standing inside Shooting Area, hands flat on Xs, shoulders square to the wall, gun loaded and holstered, all reloads on belt. At the signal, draw and engage all targets with **THREE** shots each as they appear from within the Shooting Area only.

**NOTES** – Shots **UNLIMITED**; best 24 hits scored – **THREE** on each paper

- 1 second per point down
- All penalties such as foot faults, Failure to engage, hits on No Shoots, etc are 5 seconds
- Porthole will be **CLOSED** at start
- Popper activates turning target
- Range of engagement: approx 2 to 10 yards
